COMMENCEMENT
August 2026

Target Group

The Prospective Candidates for the Master of Human Rights Programme will be academics, lawyers, employees in the government sector, employees in the NGOs and INGOs, members of the armed forces, police, media personnel, managers, environmentalists, trade unionists, human rights activists researchers and all others who aspire for human rights upon the satisfactory fulfilment of the admission criteria mentioned above.

Introduction

Human rights have evolved into a distinct academic discipline with theoretical and practical importance, drawing inspiration from several fields of study. Learning human rights also has become central to many professional careers, including law, public administration, and development work. There is a considerable need to train people to study and to undertake research in human rights at postgraduate level. The course intends to get the students engage in serious research based on different dimensions of the broad human rights discourse and to enhance their knowledge, skills, and attitudes through offering different course modules. In this year, new changes are introduced, by adding new courses to keep abreast with emerging trends in the field of human rights, and initiating suitable methods of teaching and evaluating to achieve the objectives of the course. It is wished to identify diverse needs of participants coming from various backgrounds and to cater for those.

Objective

The Objective of this programme is to allow the prospectus candidates to engage in an in depth study and research in areas pertain to human rights.

Entry Qualifications
