Master of Manufacturing Management

(MMM) 2026/27

One Year | Onsite Programme

SLQF Level 09 | 30 Credits

Introduction

The Master of Manufacturing Management program is designed to equip professionals with the necessary skills and knowledge to excel in the manufacturing sector. It integrates principles of engineering, management, and technology to address modern industrial challenges. The course prepares students to take on leadership roles in manufacturing by enhancing their problem solving, decision making, and operational efficiency capabilities.

Objectives / Learning Outcomes

- ▶ Understand and apply core principles of manufacturing management.
- ▶ Optimize production processes for efficiency and sustainability.
- ▶ Utilize modern technologies and methodologies in manufacturing.
- ▶ Develop leadership and strategic decision-making skills.
- ▶ Analyze and improve supply chain and logistics operations.
- ▶ Implement quality control and continuous improvement techniques.
- ▶ Address industry-specific challenges with innovative solutions.

Prospective Candidates

Engineers, Business Executives, Policy Planners and Financial Analysts working/ expecting to work in industry will be the Prospective Candidates for this course.

Admission Requirements

- ▶ A Bachelor's degree from a recognized University/ Institution with manufacturing and allied subject area; **OR**
 - ▶ Any other Bachelor's degree, with learning/work experience in manufacturing and allied subject area; **OR**
 - ▶ The Postgraduate Diploma in Manufacturing Management offered by the FGS; **OR**
 - ▶ A Postgraduate Diploma offered by any recognized university in a relevant discipline acceptable to the Senate of the University; **OR**
 - ▶ Professional qualification in manufacturing or allied subject area from a recognized professional body which is acceptable to the Faculty Board of the Faculty of Graduate Studies and Senate of the University with prior learning/work experience in manufacturing and allied subject area; **OR**
 - ▶ Completion of NVQ level 7 (equivalent to Bachelor's degree in SLQF) with relevant work experience in manufacturing and allied subject area as determined by the Faculty Board and the Senate of the University;
- AND**
- ▶ Good knowledge of English language and satisfactory performance at a selection test and/or interview.

Course Modules

Semester I

- MMM 6131 - Manufacturing Science
- MMM 6132 - Supply Chain Management
- MMM 6133 - Computer Integrated Manufacturing
- MMM 6134 - Industry analytics and Manufacturing Strategy
- MMM 6125 - Quality Management and Statistical Process Control
- MMM 6116 - Project Proposal

Semester II

- MMM 6231 - Manufacturing Economics
- MMM 6222 - Manufacturing Risk Management
- MMM 6223 - Lean Manufacturing
- MMM 6224 - Project Management
- MMM 6265 - Project Report

How to Apply

Applications can be downloaded from the faculty website (fgs.cmb.ac.lk). Duly completed application form, certified copies of National Identity Card, birth certificate, relevant educational and professional qualifications, and work experience (if any) along with a scanned copy of the payment slip (of application processing fee) should be submitted via Apply Online weblink. (All above documents should be submitted as one PDF document.) Application fee **LKR 3000 (Local students) or 40 USD (Foreign students) (non-refundable)** can be paid using the code **318101900001** as the reference number at any Peoples' Bank branch or using our online payment portal (pay.cmb.ac.lk),

AND

Completed application form and the photocopies of above mentioned original certified documents along with the payment slip should also be sent through the registered post to reach the Senior Assistant Registrar, Faculty of Graduate Studies, University of Colombo, No 35/30. Prof. Stanley Wijesundara Mawatha, Colombo 07. Please mention the programme name on the left side of the envelope. Apply on or before **31st May 2026**.
