## Postgraduate Diploma in **COUNSELLING AND PSYCHOSOCIAL SUPPORT**

(Leading to Masters)  
(PgDCP) 2024/25 - Onsite Lectures

Weekend Programme (Saturday 9.00 a.m. to 4.00 p.m.)

# Introduction

The objective of the Postgraduate Diploma is to equip students with skills to design and manage a basic psychosocial intervention or programme and to critically assess the impact of these. At an individual level, on completion of the programme, students will be able to provide counselling for psychosocial problems while engaging in basic self-care and maintaining ethical professional conduct. Students will be able to apply assessment, planning and intervention skills in relation to both counselling as well as community or systems level responses to prevent or mitigate the effects of problems.

# Objective

The objective of the Postgraduate Diploma is to equip students with skills to design and manage a basic psychosocial intervention or programme and to critically assess the impact of these. At an individual level, on completion of the programme, students will be able to provide counselling for psychosocial problems while engaging in basic self-care and maintaining ethical professional conduct. Students will be able to apply assessment, planning and intervention skills in relation to both counselling as well as community or systems level responses to prevent or mitigate the effects of problems.
